The meeting commenced with a welcome note by Joint Secretary, Anti Ragging Cell, UGC. She addressed the members about the importance, constitution and mandate of the committee i.e. the main attention of the Committee shall be to focus on the evils of ragging, the modalities how these can be prevented and what stern action can be taken against the persons indulging in ragging. It shall also be suggested as to what action can be taken against the educational institutions where such ragging takes place and the authorities of such institutions. It shall be open to the Committee to appoint such persons, as deemed proper, to effectively deliberate on the measures to prevent anti ragging activities at the outset. Best practices of the States may also be shared with the Committee. These practices after consideration may be disseminated to other States/HEIs.

177
for eradication of ragging. UGC has reviewed the function of Anti Ragging Cell, Monitoring Agency and Call Center. UGC has appointed two new agencies with Center for Youth and ADC Electrossoft Pvt. Ltd. for monitoring the situation in better way.

Sh. Rakesh Kumar Mishra (Chairman) welcomed all the members. Chairman asked Prof. Kachroo how he can assist this committee to address the menace of ragging. Prof. Kachroo suggested that this single committee cannot perform all the tasks for eradication of ragging. Therefore, a small committee may be constituted in addition to this committee. Secretary, UGC thanked Prof. Raj Kachroo for giving his contribution in Anti Ragging Prevention Program for last couple of years and also requested to help new appointed monitoring agency Ms. Center for Youth (C4Y) in every possible manner.

Chairman requested Prof. Raj Kachroo to provide database for the period upto 03.04.2022 to monitoring agency and arrange meeting of IT Team for Knowledge Transfer. Prof. Kachroo agreed and assured that he will appoint Mr. Nishant (software developer, ASKT) for 3 days for knowledge and database transfer.

On the issue of increasing ragging in medical colleges and two ragging cases one in Haldwani Medical College and another in Bhima Bhoi Medical College & Hospital, Orissa, he requested National Medical Commission (NMC) to provide proper contact details of NMC Nodal Officers so that the details of cases may be sent to NMC for urgent action.

Sh. Manoj Khanna suggested NMC to make a student portal in the NMC website and college website where student can address their grievances and NMC can assess the case and its severity to get the issue resolved. He has also requested Sh. Deepak Goyal to visit Anti-Tobacco helpline to understand how they are working on complaints for updation of anti-ragging helpline.

Secretary, UGC requested NMC to support the Anti Ragging Prevention programme and make a time bound action plan for proper monitoring mechanism. NMC has agreed that they will request their higher officers to make a committee in NMC for proper disposal of ragging cases and make a portal for colleges and students as suggested by Sh. Manoj Khanna.

Chairman also requested UGC to coordinate with NMC to bring down ragging cases in NMC. A dedicated team from NMC will contact medical colleges to sensitize & ensure compliance of anti ragging within a month.

Chairman recommended that a meeting with the higher authorities of NMC may be held so that the action plan may be made for reducing ragging cases and to focus on medical colleges as most of the cases are being reported from medical colleges.

Dr. Asha Sharma, Indian Nursing Council (INC) informed the committee that when a ragging case is reported in INC they send members from State Nursing Council and India Nursing Council and collect the two sets of report from SNC and INC and find out the discrepancies, talk to college authorities and sensitize them. INC has derecognized three institutions and bans admissions to reduce ragging. INC sends anti ragging pro forma to each college and collect reports from college every month.

Dr. Sarvesh London, Professor, Safdarjung Hospital informed the committee that so far as ragging cases reported in NMC are concerned, State Medical Councils have no role in day to day affairs of educational institutions as they deal with professional ethics.

Prof. S.K. Katharia, Dental Council of India (DCI) informed the committee that the work of State Medical Council starts after the completion of degree for registration purpose only. He also informed that they have Anti Ragging Cell in DCI. DCI have both UGC regulations and their own regulations also. DCI has its own separate email and phone numbers of Anti Ragging Cell. Secretary, DCI is Nodal Officer and Deputy Secretary is Assistant Nodal Officer. Anti Ragging Cell of DCI has three staff with two clerical staff. DCI asks progress report on anti ragging, progress of workshop with local police. He assured committee that their colleges are safe and no ragging cases have been reported in last three years.

Sh. V. Chandar, Member advised NMC to take the ragging issue seriously and take appropriate action as per the rules against the non compliant medical colleges where ragging is reported.

Sh. Anil Mittal, Deputy Secretary, Pharmacy Council, informed the committee that they have 4000 institutes in India. On receipt of ragging complaint, PCI conducts surprise visits, sends their Inspectors. Inspectors verify the details and inquire the matter. No ragging cases have been reported in PCI in last 3 years.

Prof. Rajnish Jain, Secretary, UGC stated that the UGC needs to relook into the Anti Ragging Regulations of 2009 in respect of the committee constituted in Higher Education Institutions. While reviewing the Regulations, inputs / comments may be sought from all the stakeholder regulatory bodies.

Secretary, UGC requested all the council members to share their best practices with the committee so that the committee may have ideas of all the councils what they are doing for eradication of ragging. Committee will compile those ideas and cull out the common points and share with other councils and states for helping them in eradication of ragging.
